ANNUAL GENDER SENSITISATION – ACTION PLAN

1. The Women Cell was formed to safe guard the rights and liberties of women and equity among the students and staffs. The cell meets regularly and gets an update from the students and staff.
2. The Women Cell organizes various gender issue related programs to instill the sense of equity and freedom and measures that they can be taken to protect themselves.
3. Orientation program for the fresher are organized at the beginning of academic session. During the orientation programs for first year and third year students, there is a program on gender harassment and make the students aware of the cell and how they can complain.
4. Student members are included in the cell to give their perspective and access to information of what steps are being taken to prevent gender harassment. The student members feel free to speak about their friends experience and students feel free to confide to their peer.
5. There is a separate Girls' Common Room where the female students can spend their off time and make good utilization of the facilities provided.
6. The college also has the facility of crèche for lady staffs.
7. All the above measures have been in place to create an atmosphere where female students and staff can feel safe and equal in the campus.
